Proceedings of the Government of His Highness the Maharaja of Mysore (Local Boards Branch—Municipal),—dated 28th November 1894.

READ:—

Letter dated 12th November 1894, No. 45, from the President of the Bangalore City Municipality, submitting the explanation called for in Government Proceedings dated 13th August 1894, No. 2499-504—L. F. 7-94, in regard to the Budget estimates of the City Municipality for 1894-95.

No. 8487-9—L. F. 7-94, DATED, BANGALORE, 28TH NOVEMBER 1894.

ORDER THEREON.—

RECEIPTS.

Govt. Progs. Paras 4 and 7. Presdt's letter. 2 and 3.

(*II*) *Tax on houses and* (*VII*) *Mohatarfa.*—As at the Jamabandi settlement for 1893-94, the demand under these heads was fixed at Rs. 41,036, the estimates are proposed to be raised from Rs. 35,900 to Rs. 41,200; but it is observed that as either the House tax or Loom tax, whichever is the highest, is to be levied under Govt Proceedings No. 5815-24—L. F. 168-93, dated 2nd October 1894, and the whole demand is not likely to be collected before the end of the current year, it is undesirable to enhance the estimates already sanctioned, till the result of the recent revision of taxes is known :—

Items.	As already sanctioned for 1894-95 Rs.	Jamabandi settlement for 1893-94. Rs.	As now proposed to be modified for 1894-95. Rs.
II. Tax on houses	20,000	21,750	22,000

(*d*) Cart tax ...	800	1,012	1,000
Total ...	35,900	41,036	41,200

Govt. Progs. Para 12. Presdt.'s letter. 4.

2. (*VII*) *Rents.*—The original estimate under this head was reduced from Rs. 8,200 to Rs. 7,000 with reference to the actuals of the year, (6,950). The President now explains that the increase in the estimate as stated in para 7 of his letter dated 7th March 1894, No. 298, is due to the actual rise in the monthly rental of the Market stalls. The estimate will now be raised to Rs. 8,200. In future, the figures in the column of actuals should invariably be entered and the variations between them and the estimates explained in the column of remarks of the budget Statement No. I.

3. (*X*) *Miscellaneous.*—As two-thirds of the cost of the Sudra Cook on Rs. 6 per mensem sanctioned in Government Proceedings dated 27th November 1894, No. 8437-9—L. F. 91-92, for the Chattram Hospital has to be met from Local Funds General, a sum of Rs. 48 will be entered under this head, the total cost, *viz.*, Rs. 72, being shown on the side of expenditure.

EXPENDITURE.

Govt. Progs. Para 20. Presdt.'s letter. 7.

4. *Head office.*—The question of allowing an additional Peon and increase of pay to some of those now existing may be laid before the next Budget Committee.

Govt. Progs. Para 24. Presdt.'s letter. 8.

5. *Furniture.*—The provision of Rs. 200 on account of furniture will be sanctioned for the current year only.

6. (*III*) *Collection*—(*b*) *House and Mohatarfa taxes.*—The President now explains that although the services of one of the two Octroi Mutsaddis were dispensed with, still he retained his services as an additional Shanbhog, which should not have been done without the sanction of Government. The additional Shanbhog on Rs. 8 is now sanctioned, but the President should not incur any such unauthorized charges in future.

7. (*VIII*) *Public works* (*a*) *Supervision—Watchman for the Gundopant's Karanji.*—It is explained that though this Karanji is private property, it is used by the public and recommends the employment of a watchman. Before passing final orders on this matter, the President is requested to ascertain and report whether the owner of the well is prepared to make it over to the Municipality for the use of the general public.

Govt. Progs. Para 31. Presdt.'s letter. 12.

8. *Gardeners for the Chattram Hospital.*—The provision was retained subject to the submission of explanation about the necessity for the continuance of the gardeners during 1894-95. But no explanation has been submitted and unless formal sanction is obtained for their continuance, their services should be discontinued from 1st January 1895.

Govt. Progs. Para 32. Presdt.'s letter. 13.

9. *Establishment for avenues*—The retention of one gardener is sanctioned for one year as proposed, the services of the other having been dispensed with. The provision will accordingly be reduced by Rs. 72.

Govt. Progs. Para 33. Presdt.'s letter. 14.

10. (*IX*) *Charitable grants.—Dispensaries.*—The separate reference promised in regard to the reduction of contingencies including country medicines will be awaited.

Govt. Progs. Para 36. Presdt.'s letter. 15.

11. (*IX*) *Charitable grants—Chattram Hospital.*—To meet the salary of the Sudra Cook referred to in para 3 *supra*, a sum of Rs. 72 will be entered under this head.

12. (*IX*) *Charitable grants—Government Anna Chattram.*—The details of the provision made for the Anna Chattram are as given below. The correct total of the items is only Rs. 1,597, while the same is given as Rs. 1,657. The discrepancy needs explanation. The estimate will however stand pending receipt of the report called for in Proceedings dated 15th September 1894, No. 4687-8—L. F. 421-92:—

		Rs.
1.	Honorarium for supervision	120
2.	Cook at Rs. 4 per mensem	48
3.	Waterman at Rs. 4 per mensem	48
4.	Sweeper on Rs. 3 per mensem	36
5.	Writer on Rs. 5 per mensem	60
6.	Feeding charges (lump sum)	1,285
	Total ...	1,597

13. (*X*) *Education—Municipal English School.*—Including the sum of Rs. 427 sanctioned in Government Proceedings dated 30th October 1894, No. 6601-3—L. F. 228-92, on account of the Hindustani Master and house rent of the School building, the sanctioned estimate comes to Rs. 5,448. In accordance with Proceedings dated 18th June 1892, No. 5014-5—L. F. 228-92 the provision on account of grant-in-aid to Mahrrati school will be raised by Rs. 24.

14. (*XI*) *Miscellaneous—Garden below the Dharmambudhi Tank.*—The actual necessity for the employment of two additional gardeners is not apparent and the provision of Rs. 220 for improvements also appears excessive. However as the President assures the Government that the increased provision will not be utilized unless absolutely required, the Government will not withhold its sanction.

Govt. Progs Para 44. Presdt.'s letter. 19.

15. *Other items.*—Details were called for for the lump sum entry of Rs. 490 under this head. Instead of furnishing the details, the President states that a separate report will follow. This item will, however, be retained on the understanding that no appropriation is made from it without the previous sanction of Government.

Govt. Porgs. Para 45. Presdt.'s letter. 20

16. Subject to the remarks and explanations called for, the estimated receipts and expenditure of the City Municipality for 1894-95 will stand as shown in the following abstract statement:-

Sir,

I have the honor to bring to notice that in the matter of supplies to the Military Authorities, the present subordinate Establishment is not only inefficient but is also insufficient. On this account other subordinates are deputed, and the result is found to be by experience that their legitimate work suffers serious neglect. I have, therefore, considered it necessary that it should be placed on a better footing. I beg to submit the proposal exhibited in the statement attached for favorable consideration

and sanction. It will be seen that the proposal does not involve any additional cost, but effects a saving of two Rupees per mensem. Early orders are solicited. I shall provide for the present incumbents by transferring them or by giving them other equivalent appointments as opportunities occur. Till then, they continue to hold their present appointments.

Revenue and General Departments
Bangalore.

Sir,

I have the honor to state that for the purpose of catering to the wants of the many departments and individuals, who indent upon the Revenue Department for carts, bullocks, &c. in the city, there is an establishment consisting of a Kotwal on Rs. 12 and 2 Jaudis on 4 Rs. each. It is no exaggeration

to say that not a single day passes without demands being received for similar and other supplies, many of which are of the utmost urgency. The Kotwal and his menials being underpaid, decent men cannot be secured, and when fairly decent appointments are made, the incumbents are either half-hearted or try to get themselves removed elsewhere. The pay of the peons in Bangalore City has lately been raised by Government to Rs. 6/, which circumstance has sharpened the contrast between the pay of the dandis and that of other similar menials.

2. I have the honor accordingly to recommend that, pending the revision of Taluk establishments under contemplation,

His observed that while in the Deputy Commissioner's letter No 911 dated 20th March last it is proposed simply to increase the pay of the Kotwal from 12 to 20 and that-

that of the 2 Dandies from
4 to 6 Rs each, the recommenda

was for revising the ~~whole~~

with the Kotwal Mutsāddi (Presumably at Bungalow)

pay of the Dandies to Rs 5.

of Rs 10/ in order to carry on the clerical work now devolving on the Kotwal of serving processes &c. &c. This work is considerable and takes the time and energy of the Kotwal to the no small detriment of his more urgent duties of supplies. The result is that every now and then dissatisfaction is caused by hasty and perfunctory attention to the demands for supplies &c. which pour in on the Taluk establishment nearly every day. I would therefore retain the Mutsaddi in status quo; but call him instead Shekdar. He will also be useful in collecting the revenues within City limits.

4. The Dandis should in my humble opinion receive Rs 6/ each for the reasons stated in my letter above quoted. Good peons are getting scarce every day, and unless it is made worth their while to stay on, they will either desert or prey on cartmen &c.

5. The Kotwal of Yelahanka on Rs 8/ may be abolished. The Bangalo in that town is of the 2nd. Class, and is provided with

(1) Meti on Rs: 7.
(2) Waterman " 4.
(3) Tote - - - - " 4.

The

The Railway has thinned the numbers of travellers putting up therein, and the Méti can very well cater to the wants of the few that may halt at Yelahanka.

6. My proposals, therefore, unlike those of my predecessor, do not show a saving, but involve a net increase of only Rs. 4/. But I venture to think and respectfully urge on the Government that the same will be more than compensated for by extra efficiency and despatch in the disposal of a work which is as exacting and thankless as it is indispensable. The following table is illustrative of my propositions; for which early sanction is solicited.

No. 2823-24 / Ft: 215 dated 12.9.96

Order thereon —

The Deputy Comr. of Bangalore reports that the Kotwals' Establishment of the Bangalore City is very much underpaid considering the heavy and responsible duties of supplies &c. devolving upon it, and proposes that the pay of the Kotwal be raised from Rs: 12 to Rs: 20 and that of the 2 Daudies from Rs: 4 to Rs 6 each.
